

THE PEDIGREE™ Series

STRENGTH SECURITY INNOVATION

Reinforced base & lift pocket, maximizing strength and durability

Available in "driver-friendly" ergonomic 4-wheel option

Molded, paper feed slot with anti-fish diverter for unparalleled security

Locks with either hasp or integrated lock, keyed alike to your consoles

Fully customizable with hot stamping and color options

Able to integrate seamlessly into your existing wheeled bin inventory, The Pedigree Series bins are "purpose designed" document protection bins with unique security features, exclusive to Jake, Connor & Crew. Providing maximum security combined with easy to use features such as smooth surfaces, "tool-free" assembly, zinc coated steel axel and rubber wheels, The Pedigree Series bins provide daily benefit. Available in North American and European lifting styles and customizable with hot stamping and color, The Pedigree Series bin is recyclable, EN-840 and ANSI compliant. Now available in our new Patent-Pending 4-Wheel design with re-engineered base and lift pocket, our bin provides unmatched strength and ergonomic benefit. Maximizing security while minimizing your cost, The Pedigree Series bins offer unbeatable value.
