

THE RETRIEVER™

Series

STRENGTH SECURITY INNOVATION

Arrives stacked and fully assembled

Secure overlapping lid with molded paper feed slot and interlocking "tamper evident" hinge

Anti-phish diverter for unparalleled security

Lockable 3rd castor wheel for easy maneuvering and secure repositioning

Integrated "easy push" lock, keyed alike to your consoles

Our premium wheeled bin The Retriever is the only specifically designed wheeled bin in the document protection industry today. The Retriever revolutionized expectations with its unique three-wheeled design, combining style with the highest security and ergonomic options available in the market today. Manufactured in a North American lifting style with highly engineered, durable HDPE composition and durable rubber wheels, The Retriever ensures long life. Customizable with hot stamping and color options, The Retriever is recyclable, EN-840 and ANSI compliant. Exceeding all demands, The Retriever has become the most innovative way to securely store and transport confidential and sensitive information.
