

## Celebrating our 25th Anniversary

**With our Lowest Pricing Ever!**

When we created the Executive Console 25 years ago, it was priced at \$90 per unit. Over time, we have invested in and developed a streamlined manufacturing process which has drastically lowered the price per console, allowing us to consistently offer a more competitive price. With continuous innovation and process improvements, we have lowered console pricing by roughly 40% while still maintaining our high standards of quality and security.
