

# Unmatched Warranty

## On All Jake, Connor & Crew Products

Often overlooked, the warranty offered with any document security container should be taken into great consideration when sourcing carts and consoles. A warranty you can be confident in will not only offer you and your customer peace of mind but will also save you money over time. At Jake, Connor & Crew, we are so confident in the quality and security of our container lines that we are able to offer a 10-year warranty on consoles - double any other warranty on the market - and a 5-year warranty on all carts. We still have consoles standing in the market today that were produced over 26 years ago!
