

# THE 175G PEDIGREE SERIES

## STRENGTH SECURITY INNOVATION

Double external hasp for increased security

Large in-lid paper feed slot, specialty grommets for medical and ewaste available

Four 8" rubber caster wheels; 2 with foot breaks

Side handles for easy maneuvering

Backed with a 5 year prorated warranty

Built for demanding, high-volume environments, the 175-Gallon Pedigree Series Cart delivers the capacity, durability, and security needed for efficient collection at scale. With a 600 lb load rating and a narrow, door-friendly footprint, it moves easily through tight hallways, offices, hospitals, and large facilities without compromising stability or strength. Constructed from rugged, injection-molded HDPE, the cart is designed for daily, heavy-duty use and smooth maneuverability on four 8" swivel casters, including two locking brakes for added control during servicing. Security is built in with a double external hasp locking system and a paper slot lid, allowing for controlled depositing while keeping sensitive materials protected, from collection through final destruction.
