

STRENGTH SECURITY INNOVATION

Stand out from your competition with the unique and modernized look of The eCart Waste and Recycling Series. While still guaranteeing the highest levels of durability, the double-wall, lower lift pocket offers a sleek, clean look while compatible with semi and fully automated lifting systems. This also allows for more branding options with extra space for hot-stamping. Available in multiple colour options and proudly made in North America. The eCart Waste and Recycling Series is manufactured with molded-in double wear strips to protect the cart bottom against abrasion. The overhang lid can be customized with a CNC machined cut-out for the collection of e-waste, pill bottles and more. Certified ANSI compliant and available in 64 and 96 gallons, The eCart is your EVERYTHING cart!

Double-wall reinforced lift pocket

UV stabilized against sun damage

Upgrade to a secure hasp for padlock

Durable 10" Wheels

RFID ready and 100% recyclable
